

THE BEST WAY TO ACCESS ELECTRONIC JOURNALS AND DATABASES
Follow these steps for more reliable and trouble free access to e-journals and databases.

Your email address is:

Your membership number is:

Step 1

Go to <http://ndsis.adca.org.au> and log in to the members only area using your email address and member number.

Step 2

From the "Members Only" area, select "Journals and Databases" from the menu on the left hand side.

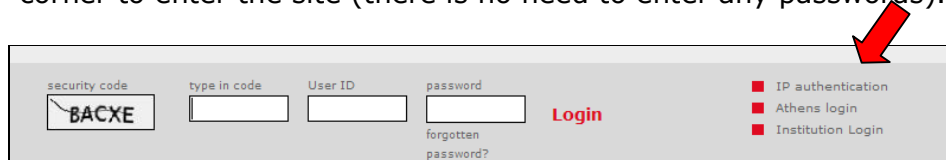

Step 3

Select the Swetswise logo at the top of the page.

Step 4

At the Swetswise page select "IP authentication" in the top right-hand corner to enter the site (there is no need to enter any passwords).

The old method of accessing via the NDSIS page and using an Athens password will still enable access to electronic journals but we have found using this new method is less problematic.

Any questions about electronic journals or databases access contact the NDSIS: 02 62159899 OR ndsis@adca.org.au OR go to <http://ndsis.adca.org.au/ejhelp.php>
